This PDF file includes:

Figure 1S Supplementary material

PCA scores plot (A) and loadings plot (B) of HPLC dataset.

Figure 2S Supplementary material

PCA scores plot (A) and loadings plot (B) of $^1\text{H-NMR}$ dataset.

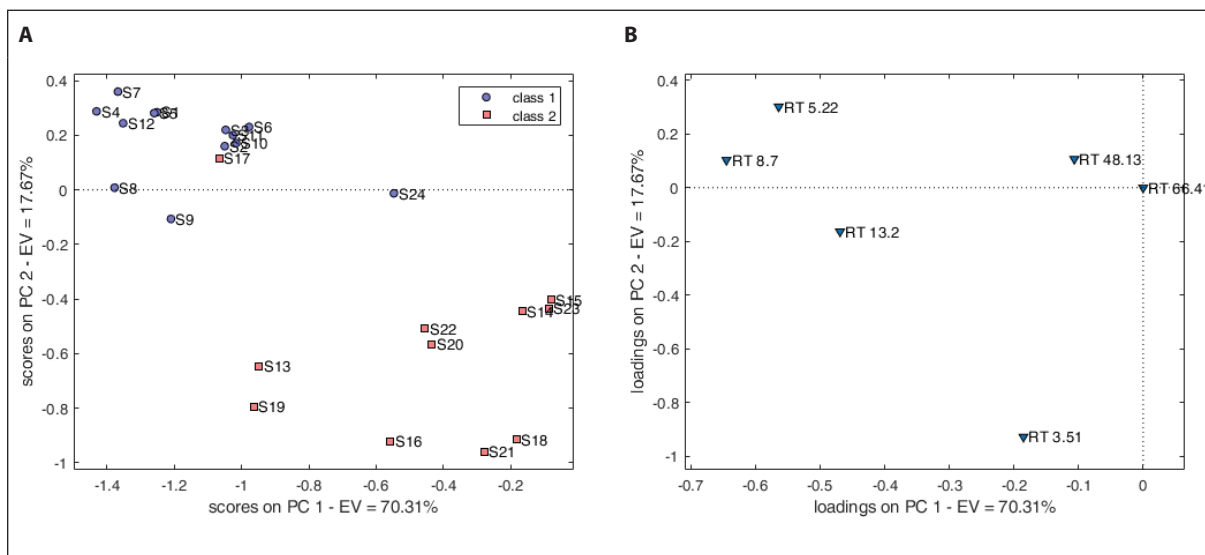

Figure 1S Supplementary material
PCA scores plot (A) and loadings plot (B) of HPLC dataset.

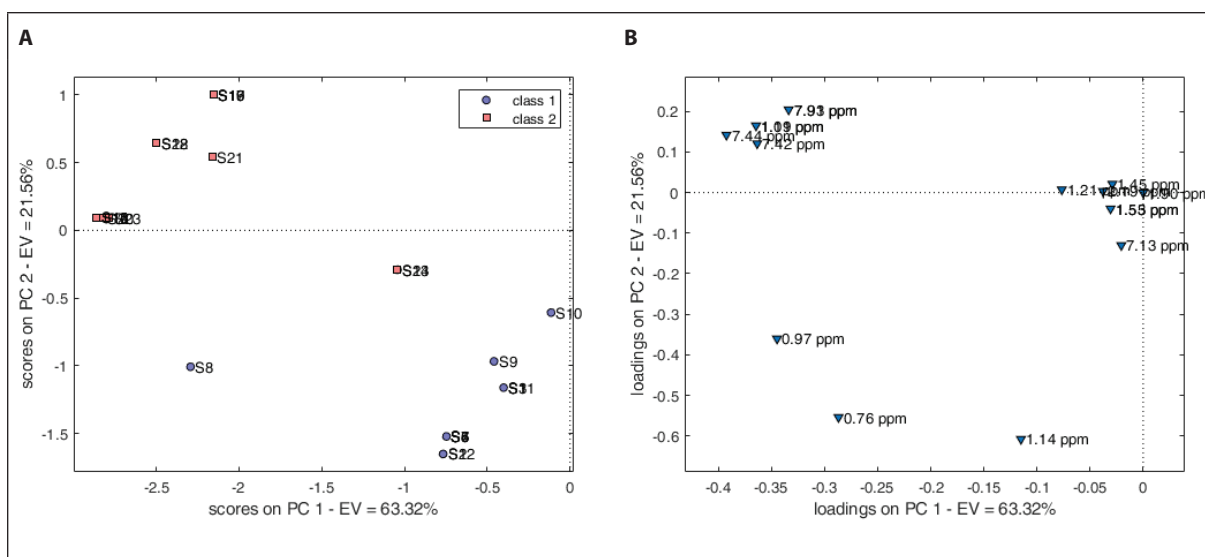

Figure 2S Supplementary material
PCA scores plot (A) and loadings plot (B) of ¹H-NMR dataset.
