GENERAL INFORMATION

Conference venue

Istituto Superiore di Sanità, Room Nitti-Bovet - Viale Regina Elena 299, 00161 Rome, Italy

The reserved part of the meeting (C4D General Assembly) will also be delivered online through the Teams videoconference platform. The link to join the meeting will be sent by email to all invited attendees.

The public part of the meeting (C4D live streaming Dissemination) will be delivered online in live streaming through the Teams videoconference platform. Registration is required to participate to C4D live streaming Dissemination at the following [link](#). The link to join the meeting is [here](#)

Official language

The official language is **English**. Simultaneous translation will not be available.

Target audience

Target audience of the reserved part (C4D Second General Assembly): C4D Partners and Authorities, Health Authorities of C4D participating Countries

Target audience of the public part: National/International Health Service professionals, patients with Diabetes, Diabetes-related stakeholders, Policy Makers, Patients' Associations, Members of Scientific Societies, Researchers and Health Professionals involved in other National/International Initiatives

Maximum number of in-presence attendees: 70

Registration (for General Assembly only)

Attendees invited to the C4D Second General Assembly are kindly requested to fill out the registration form available online at the link which will be soon sent to each of them by email. The registration form shall be submitted by **March 21st, 2025**. In the registration form, attendees must express their preference for attending in person or remotely (in the former case, their attendance will be monitored by recording entry and exit on the appropriate register). Attendees who have expressed a preference for following the event online will receive the invitation link to the meeting and the related instructions by email. All in-presence attendees will receive the ISS satisfaction questionnaire to be completed on paper.

Certificates

A Certificate of attendance will be provided to those who have attended the event in presence and who specifically ask for it (for reimbursement purposes).

This event does not provide any CME credits.

For any further information about the conference, please contact the Organizing Secretariat.
