

Dear colleagues,

On behalf of the [EAVLD](#) Executive Board and the Local Organising Committee we are happy to announce the **4th Congress of the European Association of Veterinary Laboratory Diagnosticians** to be held in Prague, Czech Republic from 6th to 9th November 2016.

The congress will be hosted by [State Veterinary Institute Jihlava](#), a contemporary veterinary laboratory offering a full range of diagnostic and preventive tests in the field of animal health, and also analyses and tests of food, feed, cosmetics, biowaste, and environmental samples.

[Mark your calendar](#) and do not miss the opportunity to present your results and experiences via posters or oral lectures, to gain new knowledges, to listen to lectures from well-known experts in the field of veterinary laboratory testing, to meet your colleagues and to find new ones, and to enjoy splendid autumn days in the beautiful city of Prague.

For more information please visit [congress website](#).

Would you like to stay informed? Subscribe to our newsletter [here](#)! Do not hesitate to share information with your colleagues interested in the field.

In case of any questions please feel free to contact us.

Yours,
