

Have you ever heard
of antibiotic resistance?

Do you want to know more
about viruses and bacteria?

Do you know why hand
washing is important?

a place to play
games and learn

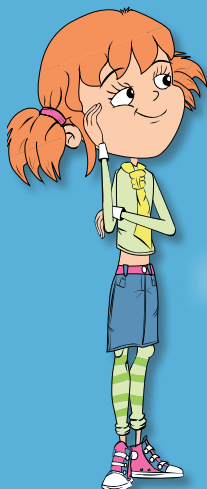

e-Bug

European
project

www.e-bug.eu

Play with microbiology, hygiene and infectious diseases
to improve your knowledge on the **use of antibiotics!**

for students

quizzes, interactive games,
experiments to do at school or at home

Junior
student

Senior
student

for teachers

didactic factsheets and guide

Play e-Bug and help us to make it better!
