

AUTHOR INDEX

ALBERTI S., NEGRI R., VON LORCH L. and DE FELIP G. — (see NEGRI R.)	page 518
ALBERTI S., PRINCIVALLE M., DE FELIP G. and VON LORCH L. — (see PRINCIVALLE M.)	» 989
ALESSANDRINI M. E., DORETTI M. and SAMPAOLO A. — The refining of olive oil containing diazinone residues. Note I.	» 1116
ALESSANDRINI M. E., LANFORTI G. F., RAMELLI G. C. and SAMPAOLO A. — Insecticide residues in olive oil from the experiments against « <i>Dacus Oleae</i> Gmel. » carried out in Italy in 1957	» 1097
AMALDI U. jr. — A focussing system for the injection of electrons into the National Synchrotron	» 896
ANGELICO R. and QUINTILIANI M. — Researches on the identity of corticosteroids synthetised « in vitro » from rat adrenal cortex	» 671
ARCHETTI I. and FELICI A. — (see FELICI A.)	» 167
ASCENZI A., MARINOZZI V. and STEVE-BOCCIARELLI D. — An instrument and a microradiographic technique for re- search on bone tissue (with particular reference to spongy bone tissue)	» 842
BABUDIERI B. and CASTELLI M. — The morphology of « <i>Lep- tospira Celledoni</i> »	» 698
BABUDIERI B. and D'AMORE A. — Infection of dogs in a training school with « <i>Leptospira canicola</i> »	» 692
BACCARINI V., CONESTABILE E. and CECCHI E. — (see CONE- STABILE E.)	» 724
BALDUCCI D., CASTELLI L., FELICI A., MANCINI G. and MI- DULLA M. — Research on the etiology of virus infantile meningo-neurassitis	» 189
BENETTI M. P. and SACCÀ G. — (see SACCÀ G.)	» 110

BETTINI S. — Observations on the susceptibility of « <i>Musca domestica</i> » L. to malathion in the Chianciano region, after four years of treatment	page	787
BETTINI S. and BOCCACCI M. — The mode of toxic action of iodo-, bromo- and chloroacetic acid on insects and the insecticidal properties of some of their derivatives	»	278
BETTINI S., BOCCACCI M. and NATALIZI G. — (see BOCCACCI M.)	»	443
BETTINI S. and CANTORE P. — (see CANTORE P.)	»	794
BETTINI S. and TOSCHI G. — (see TOSCHI G.)	»	678
BOCCACCI M. — Determination of vitamin D in presence of vitamin A by reversed phase paper chromatography	»	296
BOCCACCI M. and BETTINI S. — (see BETTINI S.)	»	278
BOCCACCI M., NATALIZI G. and BETTINI S. — Differences in the behaviour of the muscular tissues of vertebrates and insects to the action of pyruvate during iodoacetate poisoning	»	443
BUSULINI L., GUALANDI G. and VIANELLO E. — Observations on the behaviour of a micro-electrode with a mechanically renewed surface	»	915
CANTORE P. and BETTINI S. — Studies on the venom of « <i>Latrodectus tredecimguttatus</i> » Rossi	»	794
CAPONE BRAGA P. — On the presence of « <i>Aedes mariae</i> » in the province of Latina	»	957
CAPORALE G. and CINGOLANI E. — The ultra-violet spectra of some furocoumarines	»	943
CARPI A. — Cerebral vascular and electroencephalographic action of strychnine in the dog	»	1032
CARPI A. and VIRNO M. — Effects of intra-arterial injections of adrenaline, histamine and acetylcholine on the cerebral and extracerebral circulation in the dog	»	1021
CASTAGNOLI B., D'AMORE A., ORFEI Z., RAVAIOLI L. and MAZZARACCHIO V. — (see D'AMORE A.)	»	258
CASTAGNOLI B., D'AMORE A., ORFEI Z., RAVAIOLI L. and MAZZARACCHIO V. — (see D'AMORE A.)	»	923
CASTAGNOLI B., ORFEI Z., D'AMORE A., RAVAIOLI L. and MAZZARACCHIO V. — (see ORFEI Z.)	»	983
CASTAGNOLI B., ORFEI Z., RAVAIOLI L., D'AMORE A. and MAZZARACCHIO V. — (see ORFEI Z.)	»	262

CASTAGNOLI B., RAVAIOLI L., ORFEI Z., D'AMORE A. and MAZZARACCHIO V. — (see RAVAIOLI L.)	page	252
CASTELLI M. and BABUDIERI B. — (see BABUDIERI B.)	»	698
CASTELLI L., BALDUCCI D., FELICI A., MANCINI G. and MIDULLA A. — (see BALDUCCI D.)	»	189
CAVALLINI D., POCCHIARI F. and TENTORI L. — The conversion of ethanalamine to taurine	»	734
CECCHI E., CONESTABILE E. and BACCARINI V. — (see CONESTABILE E.)	»	724
CERVONE L. — On the presence of « Culex (Neoculex) martini » Medschid in the province of Latina and help to the knowledge of the species	»	539
CINGOLANI E. and CAPORALE G. — (see CAPORALE G.)	»	943
COCH FRUGONI A. and MARINI-BETTOLO G. B. — (see MARINI-BETTOLO G. B.)	»	319
CONESTABILE E., BACCARINI V. and CECCHI E. — The red globules of Marchiafava-Micheli disease under electron-microscopic observation	»	724
CORBO S. and RICCI M. — Infantile growing and intestinal parasitism	»	120
CORRADETTI A. and VEROLINI F. — The action of splenectomy in infections by « Plasmodium rouxi » in canaries	»	529
COTTA-RAMUSINO F. — A method for measuring vaseline oil in toasted coffee	»	315
D'AMORE A. and BABUDIERI B. — (see BABUDIERI B.)	»	692
D'AMORE A., GUALDI G., MAROTTA U. and MONACELLI R. — Potassium permeability of red corpuscle membrane. - Note II	»	1209
D'AMORE A., ORFEI Z., RAVAIOLI L., MAZZARACCHIO V. and CASTAGNOLI B. — Foot and mouth disease virus on tissue culture « in vitro ». - IV. Interference test between virus (A ₄) attenuated by heat or by formaldehyde and homologous active virus	»	258
D'AMORE A., ORFEI Z., RAVAIOLI L., MAZZARACCHIO V. and CASTAGNOLI B. — (see ORFEI Z.)	»	262
D'AMORE A., ORFEI Z., RAVAIOLI L., MAZZARACCHIO V. and CASTAGNOLI B. — Foot and mouth disease virus in tissue cultures « in vitro ». - VI. The preparation and estimation of anti-foot and mouth sera from cattle	»	923

D'AMORE A., ORFEI Z., RAVAIOLI L., MAZZARACCHIO V. and CASTAGNOLI B. — (see ORFEI Z.)	page 983
D'AMORE A., RAVAIOLI L., ORFEI Z., MAZZARACCHIO V. and CASTAGNOLI B. — (see RAVAIOLI L.)	» 252
DE CARO M. and SAMARANI E. — The action of oleandomycin and isonicotinic acid hydrazide on some strains of « H. Pertussis »	» 433
DE FELIP G. and VON LORCH L. — Immunological studies of several lactobacilli and of their antibiotic resistant ar- tificial mutants	» 181
DE FELIP G., VON LORCH L. and EL ZOFRI M. — (see VON LORCH L.)	» 174
DE FELIP G., NEGRI R., VON LORCH L. and ALBERTI S. — (see NEGRI R.)	» 518
DE FELIP G., PRINCIVALLE M., VON LORCH L. and ALBERTI S. — (see PRINCIVALLE M.)	» 989
DI VITTORIO V. — The synthesis and properties of several 4-6-dimethoxy-aurones	» 418
DORETTI M., ALESSANDRINI M. E. and SAMPAOLO A. — (see ALESSANDRINI M. E.)	» 1116
EL ZOFRI M., VON LORCH L. and DE FELIP G. — (see VON LORCH L.)	» 174
ERRERA G. and VISINTIN B. — (see VISINTIN B.)	» 737
FELICI A. and ARCHETTI I. — Researches on the etiology of some outbreaks of aseptic meningitis in North-Central Italy	» 167
FELICI A., BALDUCCI D., CASTELLI L., MANCINI G. and MI- DULLA M. — (see BALDUCCI D.)	» 189
FRANK M. — Note on a circuit for the comparison of po- tentials	» 238
FRANK M. — A transistorised nephelometer with barrer layer cells	» 883
FRANK M. — An automatic apparatus for the preparation of capillary micro-electrodes	» 891
FRONTALI N. and TOSCHI G. — Subcellular fractions of the electric tissue of « Torpedo ». Morphology and distri- bution of cholinesterase	» 806

GATTI G. L. — An analysis of reaction times in the rat conditioned to « pole climbing response » and a comparison between the action of tranquilizers and that of morphine and barbiturates	page	968
GATTI G. L. — Modifications on the central and peripheral sphygmogram of the dog induced by mechanical occlusions of the arteries	»	999
GAUDIANO A., PRINCIVALLE M. and ZAMPIERI A. — The action of thiamine and its derivatives on some micro-organisms	»	934
GORI G. B. — An automatic arrangement for the trypsination of animal tissue	»	850
GUALANDI G., BUSULINI L. and VIANELLO E. — (see BUSULINI L.)	»	915
GUALANDI G. and MORISI G. — Polarographic determination of zinc in neuter glasses	»	1070
GUALDI G., D'AMORE A., MAROTTA U. and MONACELLI R. — (see D'AMORE A.)	»	1209
JACOBELLI TURI C. — Analyses of hair dyes. - Note III. Observations and precautions for the chromatography of aromatic amines	»	748
JACOBELLI TURI C. — Analyses of hair dyes. - Note IV	»	759
KOHN R. and SILVESTRINI B. — (see SILVESTRINI B.)	»	328
KREBS H. A. — The control of metabolic processes	»	49
LANFORTI G. F., ALESSANDRINI M. E., RAMELLI G. C. and SAMPAOLO A. — (see ALESSANDRINI M. E.)	»	1097
LONGINOTTI L. — The chromatographic separation and spectrophotometric assay of adenosinetriphosphate (ATP) and adenosinediphosphate (ADP) in animal tissues	»	866
VON LORCH L. and DE FELIP G. — (see DE FELIP G.)	»	181
VON LORCH L., DE FELIP G. and EL ZOFRI M. — Morphological study of some lactobacilli and their antibiotic-resistant mutants	»	
VON LORCH L., NEGRI R., DE FELIP G. and ALBERTI S. — (see NEGRI R.)		
VON LORCH L. and PRINCIVALLE M. — (see PRINCIVALLE M.)		
VON LORCH L., PRINCIVALLE M., DE FELIP G. and ALBERTI S. — (see PRINCIVALLE M.)		
LORETI F. and PALLA L. — (see PALLA L.)		

MANCINI G., BALDUCCI D., CASTELLI L., FELICI A. and MIDULLA M. — (see BALDUCCI D.)	page 189
MANN T. — Biochemical aspects of reproduction	» 16
MARIANI A. and VICARI C. — The chromatographic separation of the alpha, beta, gamma and delta tocopherols	» 160
MARINI-BETTOLO G. B. and COCH FRUGONI J. A. — The effect of pH on the paper electrophoretic separation of alkaloids	» 319
MARINOZZI V., ASCENZI A. and STEVE-BOCCIARELLI D. — (see ASCENZI A.)	» 842
MAROTTA U., D'AMORE A., GUALDI G. and MONACELLI R. — (see D'AMORE A.)	» 1209
MAZZARACCHIO V., D'AMORE A., ORFEI Z., RAVAIOLI L. and CASTAGNOLI B. — (see D'AMORE A.)	» 258
MAZZARACCHIO V., D'AMORE A., ORFEI Z., RAVAIOLI L. and CASTAGNOLI B. — (see D'AMORE A.)	» 923
MAZZARACCHIO V., ORFEI Z., D'AMORE A., RAVAIOLI L. and CASTAGNOLI B. — (see ORFEI Z.)	» 983
MAZZARACCHIO V., ORFEI Z., RAVAIOLI L., D'AMORE A. and CASTAGNOLI B. — (see ORFEI Z.)	» 262
MAZZARACCHIO V., RAVAIOLI L., ORFEI Z., D'AMORE A. and CASTAGNOLI B. — (see RAVAIOLI L.)	» 252
MERSKEY C. — The effects of the feeding of fat on blood coagulation	» 74
MIDULLA M., BALDUCCI D., CASTELLI L., FELICI A. and MANCINI G. — (see BALDUCCI D.)	» 189
MONACELLI R., D'AMORE A., GUALDI G. and MAROTTA U. — (see D'AMORE A.)	» 1209
MONTERIOLO S. and VISINTIN B. — (see VISINTIN B.)	» 338
MORISI G. and GUALANDI G. — (see GUALANDI G.)	» 1070
MURIZI G., BOCCACCI M. and BETTINI S. — (see BOCCACCI M.)	» 443
MURIZI G., VON LORCH L., DE FELIP G. and ALBERTI S. — Studies on the intestinal establishment of several species of bacteria	» 518
MURIZI G. — Systems for treating and collecting refuse	» 552
MURIZI G. — Complete tables for the determination of ex-posure to light exposure using orientation diagrams	» 604

ORFEI Z., D'AMORE A., RAVAIOLI L., MAZZARACCHIO V. and CASTAGNOLI B. — (see D'AMORE A.)	page 258
ORFEI Z., D'AMORE A., RAVAIOLI L., MAZZARACCHIO V. and CASTAGNOLI B. — (see D'AMORE A.)	» 923
ORFEI Z., D'AMORE A., RAVAIOLI L., MAZZARACCHIO V. and CASTAGNOLI B. — Foot and mouth disease virus in tissue cultures « in vitro ». - VII. Resistance to variations in pH and temperature	» 983
ORFEI Z., RAVAIOLI L., D'AMORE A., MAZZARACCHIO V. and CASTAGNOLI B. — (see RAVAIOLI L.)	» 252
ORFEI Z., RAVAIOLI L., D'AMORE A., MAZZARACCHIO V. and CASTAGNOLI B. — Foot and mouth disease virus on tissue culture « in vitro ». - V. Inhibition between type O and type A ₄ of foot and mouth disease virus	» 262
PALADINO S. and UGOLINI F. — Improvements of arrange- ments for guiding and holding stirrers in industrial and semi-industrial fermentors	» 877
PALLA L. and LORETI F. — Determination of resistivity and electrical measurements on a soil sample	» 662
PAULING L. C. — Abnormal hemoglobin molecules in re- lation to disease	» 30
PENSO G. — The kinetic of phage lysis	» 311
POCCHIARI F., CAVALLINI D. and TENTORI L. — (see CA- VALLINI D.)	» 734
PRINCIVALLE M. — The microbiological assay of some group B vitamins and amino-acids. - I. A new method for the assay of thiamine (vitamin B ₁)	» 701
PRINCIVALLE M. — The microbiological assay of some group B vitamins and amino-acids. - II. The assay of vi- tamin B ₆	» 713
PRINCIVALLE M. — The microbiological assay of some group B vitamins and amino-acids. - III. A new method for the assay of biotin	» 718
PRINCIVALLE M. — Microbiological assay of some vitamins of the B group. - IV. Determination of p-aminobenzoic acid	» 928
PRINCIVALLE M., DE FELIP G., VON LORCH L. and ALBERTI S. — The use of the precipitation reaction for the clas- sification of lactobacilli	» 989

PRINCIVALLE M., GAUDIANO A. and ZAMPIERI A. — (see GAUDIANO A.)	page 934
PRINCIVALLE M. and VON LORCH L. — The synthesis of several vitamins of the B group by artificial antibiotic-resistant strains of bacteria	» 437
QUINTILIANI M. and ANGELICO R. — (see ANGELICO R.)	» 671
RAMELLI G. C., ALESSANDRINI M. E., LANFORTI G. F. and SAMPAOLO A. — (see ALESSANDRINI M. E.)	» 1097
RAVAIOLI L., D'AMORE A., ORFEI Z., MAZZARACCHIO V. and CASTAGNOLI B. — (see D'AMORE A.)	» 258
RAVAIOLI L., D'AMORE A., ORFEI Z., MAZZARACCHIO V. and CASTAGNOLI B. — (see D'AMORE A.)	» 923
RAVAIOLI L., ORFEI Z., D'AMORE A., MAZZARACCHIO V. and CASTAGNOLI B. — Foot and mouth disease virus on tissue culture « in vitro ». - III. Neutralization with anti-sera « in vitro » and complement fixation activities of the viruses A ₄ , O, C at different development times	» 252
RAVAIOLI L., ORFEI Z., D'AMORE A., MAZZARACCHIO V. and CASTAGNOLI B. — (see ORFEI Z.)	» 262
RAVAIOLI L., ORFEI Z., D'AMORE A., MAZZARACCHIO V. and CASTAGNOLI B. — (see ORFEI Z.)	» 983
RICCI M. — Intestinal parasitism in man in the territory of the Abruzzo National Park	» 1185
RICCI M. and CORBO S. — (see CORBO S.)	» 120
RIVOSECCHI L. — Preliminary observations on insemination in « <i>Musca domestica</i> »	» 267
RIVOSECCHI L. — The generative organs of « <i>Musca domestica</i> »	» 458
RIVOSECCHI L. and SACCÀ G. — (see SACCÀ G.)	» 1149
SACCÀ G. — Speciation in the house-fly. - VI. Natural and experimental hybridism between subspecies of « <i>Musca domestica</i> » L.	» 1170
SACCÀ G. and BENETTI M. P. — Environmental and physiological factors of insemination in « <i>Musca domestica</i> » L. and in its subspecies	» 110
SACCÀ G. and RIVOSECCHI L. — Speciation in the house-fly. - V. Geographic distribution in the subspecies of « <i>Musca domestica</i> » L. (Diptera, Muscidae)	» 1149

SALOMONE S. — Factors involved in the thermal insulation of buildings	page 489
SAMARANI E. and DE CARO M. — (see DE CARO M.)	» 433
SAMPAOLO A., ALESSANDRINI M. E. and DORETTI M. — (see ALESSANDRINI M. E.)	» 1116
SAMPAOLO A., ALESSANDRINI M. E., LANFORTI G. F. and RAMELLI G. C. — (see ALESSANDRINI M. E.)	» 1097
SCAFATI A. — The recognition of fission products in atmospheric dust	» 818
SCHMIDT C. F. — Psychopharmacology	» 5
SELLERIO U. — Absorption-Compression refrigeration units. Description of a unit of this category, functioning with a petroleum-freon mixture	» 126
SELLERIO U. — The refrigeration, essential element for the agricultural economy in Sicily	» 1126
SILVESTRINI B. and KOHN R. — The action of meprobamate on the cerebral electric activity of the rabbit and on the alarm and flight reactions caused by an electric stimulation of the hypothalamic nuclei	» 328
STEVE-BOCCIARELLI D., ASCENZI A. and MARINOZZI V. — (see ASCENZI A.)	» 842
TAUSSIG H. B. — The Blalock-Taussig operation	» 61
TENTORI L., CAVALLINI D. and POCCHIARI F. — (see CAVALLINI D.)	» 734
TOMASELLI S. — The influence of semi-industrial criteria on the constructional lay-out of public slaughter houses.	» 203
TOMASELLI S. — An examination of basic problems in the initial planning of hospitals	» 611
TOSCHI G. — Chromatographic and electrophoretic researches on the cholinesterase of nervous tissue	» 1077
TOSCHI G. and BETTINI S. — The protein composition of insect muscles. - An electrophoretic study	» 678
TOSCHI G. and FRONTALI N. — (see FRONTALI N.)	» 806
TRABACCHI G. C. — Photograph of colours	» 95
UGOLINI F. and PALADINO S. — (see PALADINO S.)	» 877
VEROLINI F. and CORRADETTI A. — (see CORRADETTI A.)	» 529
VIANELLO E., BUSULINI L. and GUALANDI G. — (see BUSULINI L.)	» 915

VICARI C. and MARIANI A. — (see MARIANI A.)	page 160
VIRNO M. and CARPI A. — (see CARPI A.)	» 1021
VISINTIN B. and ERRERA G. — The hygienic significance of eels in drinking water, with particular reference to the reservoir of the island of Pantelleria, and tests of their chlorine resistance	» 737
VISINTIN B. and MONTERIOLO S. — The spectrophotometric determination of fluorine with particular reference to water	» 338
ZAMPIERI A., GAUDIANO A. and PRINCIVALLE M. — (see GAU- DIANO A.)	» 934
