### RECITALS

- WHEREAS ISS and European Commission have signed on 01.05.2015 the grant Agreement no.634446 I-MOVE PLUS "*Integrated monitoring of vaccines effects in Europe: a platform to measure and compare effectiveness and impact of influenza and pneumococcal..*"
- WHEREAS "DiSSal" located in the Liguria region (Northern Italy), is the Regional reference Laboratory for Influenza with the main areas of responsibilities at the regional level represented by coordinating virological surveillance on circulating influenza viruses, epidemiological surveillance of influenza-like-illnesses in the general population and in the severe influenza cases hospitalized. DiSSal activities include: collecting epidemiological and virological data; collating it; analysing it and communicating information to the ISS during the influenza season (October – April of each year). Moreover DiSSal, has been involved in piloting the study on influenza vaccine effectiveness in the severe influenza cases hospitalized ( $\geq 65$  years old) coordinated by ISS during the 2014/2015 season and considering the good performance of the DiSSal during the study and due to their unique expertise with data management to measure influenza vaccine effectiveness at primary care and hospital level, requested for the specific activities below described, they are considered the best qualified for the performance of this specific contract;
- WHEREAS the Parties intend to regulate inter se their relationship within the frame of the Grant Agreement,

### **IT IS AGREED as follows:**

The DiSSal undertakes, in accordance to the grant Agreement no.634446 I-MOVE PLUS, to perform the following activities, support the following Deliverables:

**DL1** → To adapt, each season, the protocol to measure influenza vaccine effectiveness at primary care and hospital level by describing the setting in each of the seasons (e.g. vaccines used, start of vaccination campaign, number of recruited hospitalized SARI patients, etc). (early in the season, 31 October 2015)

DL 2 → Epidemiological and virological data transmission after data validation for clarity and quality of the database in each of the seasons (end of the season, 30 April 2016);

The maximum total price to be paid by ISS for all above mentioned activities shall be for each season EURO 20.000 covering all expenses.

The "DiSSal" will submit to ISS, that only after receiving payments from EC, will provide funding as follow:

---

For the 2015/2016 season:

30% interim payment after approval of the deliverable n. D1 (early in the season, 31 October 2015);

70% balance after approval of the deliverable n. D2 (end of the season, 30 April 2016).

This agreement is not subject to VAT according to the article 72, co.3, n. 3 of DPR 633/1972 of the Italian Law because in execution of the CE agreement n. 2008 1312.

Under penalty of nullity of the contract both parties assume the obligations of traceability of financial flows in accordance with art. 3, of the Italian Legislative Decree no. 136/2010.

Transactions relating to the performance of this contract will be performed by dedicated bank account in accordance with article 3, the Italian Law 13 August 2010 no. 136.

Notice is hereby given, in addition, within the terms of Italian Legislative Decree no. 136/2010, as amended by Italian Decree Law no 187/2010 in relation to the activities of this Act, the following:

"Smart CIG ": ZD8183BD11
